Subject: RENTAL OF PROPERTY - RONGELAP AND  
UTIRIK

Dear Mr. Shoecraft:

Reference is made to my letter HOA:NSR-4039, dated July 21, 1967 which requested your assistance in securing for our continuing use an area in the center of the Island of Rongelap, containing the AEC Medical Survey facilities, and an area on Utirik along with three buildings which are also for use by the AEC Medical Survey Team.

Since our planning considers the continued use of these two sites, we would appreciate your advising us of the status of the arrangements between the Trust Territory and the land owners with respect to the AEC Medical Survey Team's future usage of these areas.

Your cooperation in this matter will be most helpful.

Very truly yours,
